Really nice facility. I really like the private bays. I like that you can go in anytime day or night even 1 o'clock in the morning if you want. Dwain give 110% attention to your requests. I would recommend this facility to anyone who wants to improve their game or even have a couple of friends with you when you use it and you can all enjoy it.

David Pack

Great facilities. Good tech. Clean. Had good amenities (drinks available if needed). I had a lesson with Nate Oumette. He was very knowledgeable and had a great approach to swing improvement.

Brady Brammer

First class, home run, sweet mama ... all of it. The facility, instruction and fun. What a great addition to the golfing community of northern Utah. TrackMan perfection - biggest screens/bays in Utah. If you want to have some corporate fun, or just work on your own game, check this place out for sure.

Ron Wade

Excellent space! I've been to a few of these indoor golf simulator setups and this is the best one. Plenty of space for doing a full swing and interacting with others. The monitors have multiple cameras hooked up, making it easy to get the most out of the TrackMan.

Wade Anderson

Fantastic facility: easy to access; state of the art equipment that is well-maintained; anytime access; great simulator programs to keep practice and social golf events interesting.

Got questions?

Frequently Asked Questions

Don't see your question here? Just ask!

How do memberships work?

Memberships are month to month. Except for 6-Month, Yearly, or Summer Series plans, a notice of 30 days cancellation is required. Memberships are automatically renewed on the same day each month until you cancel. Details on each membership plan are available on the pricing page.

What is the reservation policy?

Each user is allowed up to 2 hours of booking time per day.

Yearly and Platinum members may have up to 4 active reservations on the calendar at any given time, with a maximum of 2 hours per day.

Monthly, 6-Month, and Bronze members may have up to 3 active reservations on the calendar at a time, also limited to 2 hours per day.

What is the guest policy?

You can bring guests for no charge. We encourage you to bring family and friends with you to get the most out of your membership.

How easy is it to find a time for a reservation?

Alta View Golf limits the total number of members and we also have 4 bays so we make sure that you have plenty of access to book times.

Are there any discounts available?

Yearly memberships give you a 30% discount over the monthly price.

6-Month plans give you a 20% discount over the monthly price.

With a yearly membership plan you can also have up to 4 hours reserved in advance as opposed to 2 hours with the standard monthly membership.

What are the lesson options? Can I bring my own coach?

You can do lessons on an ad hoc basis with our Trackman trained coaches or you can bundle lessons with your membership and receive a discount on the lesson price with the bronze and platinum plans.

If you want to bring your own coach to Alta View they must sign a lesson teaching agreement with Alta View Golf BEFORE you do lessons on site. Have the coach call us at 801-823-4302 to get setup.
